Re: Notice of Re-Filing Electronically (92-105)

Dear Ms. Salas:

Per our telephone conversation with your office, Cellular Directory Information, Inc., ("CDI") is refiling the following electronically:

1. Ex-Parte Motion for Reconsideration and Reallocation of 211

CDI originally submitted this motion to the FCC via first class mail on or about February 20, 2002. Your office seems not to have received it as of March 1, 2002 due to the extensive screening for anthrax. Upon receipt of the said motion, please disregard as it will be in duplicate.

If you have any questions or concerns, please feel free to contact me at 215.571.4113.

Thank you.

Very truly yours,

Eric J. Glazier
Co-Ceo, S.V.P.
